

Hampshire Dyslexia Association Assessors List

OCTOBER 2024

List 1 below consists of individuals who can assess for dyslexia and consider indications of other specific learning difficulties such as dyspraxia, dyscalculia and dysgraphia and therefore offer full diagnostic assessment reports. Some of those individuals may also be able to offer a screening test for primary-aged children that takes a much shorter time and at a much reduced rate. You are advised to contact the assessors on this list individually and discuss your requirements

List 2 consists of those individuals who offer only workplace assessments.

When contacting, you should confirm:

- The cost of the assessment (as a rule an Educational Psychologist Assessment will be more expensive than a Specialist Teacher Assessment).
- Where it will take place
- How long it will last
- How soon you can expect the report
- If you need the assessment for a funding body, such as SFE or NHS, to provide evidence for the Disabled Students' Allowance (DSA) please check with the assessor that they have the appropriate registrations for this evidence.

Hampshire Dyslexia Association has verified the qualifications of those on this list. However please discuss the DBS (Disclosure Barring Service) check with your assessor as H DA does not take responsibility for this.

Thank you for contacting the Hampshire Dyslexia Association and I hope the information provided is helpful.

Please consider joining HDA: The Membership subscription is currently £20 per year

Email hantsda.helpline@gmail.com for application forms. Membership of Hampshire Dyslexia Association entitles you to receive the British Dyslexia Association's Contact magazine three times per year by post and our own occasional newsletter by email, plus reduced entrance fees to meetings.
